Flexible Spending Account

TCHD offers regular full-time and part-time employees the option of participating in a Flexible Spending Account (FSA), also known as a Section 125 Plan. The IRS allows employees to redirect certain after tax expenses such as health insurance premiums, co-pays and child care costs to before tax expenses. Participation in the FSA reduces federal and state income and FICA taxes and increases take home pay.

Credit Union/Banking Services

All TCHD employees have access to the Columbine Credit Union and Chase, which offer great rates on loans and other services.

ID Cards/Badges

All TCHD employees will have a picture ID card and name badge issued upon hire.
