

TRI-COUNTY HEALTH DEPARTMENT

International Travel Clinic Price List

Office Visit Fees:

Each adult and/or the first child in the family: \$50.00/person + immunizations

Each additional child: \$20.00/person + immunizations

Note: Office visit fees are charged to help pay for the staff time involved to get a personal health history, review immunization records and administer the shots. Fees are charged for each person receiving services. Clients returning for follow-up doses of a series are not charged any additional office visit fees.

We also provide a printed report with health, safety and disease information for each travel destination, which is based on the most current information from the Centers for Disease Control and Prevention (CDC) and the World Health Organization.
