

# Food Safety Training

An informational class presented by a Tri-County Health Department Environmental Health Specialist for retail food establishments that seek further education for their employees and management.

**\$120 for up to 20 employees**

Learn:

- Proper hand washing and glove use
- Safe food-handling practices
- Proper cooking temperatures
- Prevention of cross-contamination
- Sanitation and Chemical Storage

To schedule a Food Safety presentation, please talk to your inspector or call your nearest Tri-County Health Department field office.
